

Life elevated

Inspired by their parents, the husband and wife team of John and Gail Kautz have made it their singular mission to share their passion with the world. Years of dedication and expertise go into every bottle of Ironstone Reserve. This collection of premium, world-class wines comes from the best vineyard sites in the Kautz's cadre of some 7,000 sustainably farmed acres in Lodi and the Sierra foothills. The grapes are picked at their optimal level of ripeness. The wines – crafted by Ironstone's remarkably talented team of vintners – are on par with some of the highest-regarded wines in the world.

Most of the wines in the Ironstone Reserve family are from estate vineyards in the Sierra foothills at about 2,400 feet above sea level. The soils are volcanic and granitic. The grapes soak up plenty of warm sunshine then, cool down in the evening mountain air. With a large diurnal range, the grapes ripen fully yet maintain their natural acidity. The terroir plus John Kautz Farm's meticulous and sustainable vineyard management techniques produce grapes with depth, complexity and remarkable flavors.

reserve collection

Sierra Foothills Estate Grown Reserve Chardonnay

Selected from the vineyard with small rocky creek bed weathered stones and adjacent to the winery at about 2,200 feet elevation, this wine boasts intense mineral qualities of butterscotch, vanilla, ripe apples that finishes with butter toffee and vanilla oak.

Sierra Foothills Estate Grown Reserve Viognier

At an elevation of 2,200 feet, this southern facing vineyard with red soils gives it its tropical bouquet. Flavors of mango, pineapple, guava lead to citrus that finishes with a soft butter oak.

Sierra Foothills Estate Grown Reserve Cabernet Franc

A big, bold wine with supple and full tannins. Black cherry, blackberry and plum integrate with spicy oak notes that is layered with flavors of sweet oak ending full and lengthy. The southern exposure vineyard is about 2,300 feet with rows that run east to west. The soils are dark in color with red highlights and small stones allowing for good drainage.

Sierra Foothills Estate Grown Reserve Cabernet Sauvignon

Layered with flavors of fresh berries, black currants, black cherries and eucalyptus that lead into cedar, mint and dark blackberry, this wine is full with big and supple tannins that finish long and lingering. At 2,400 feet elevation and directly above our Cabernet Franc vineyard, the terroir is similar, but with more stones throughout.

Sierra Foothills Estate Grown Reserve Meritage

A Bordeaux style blend with Cabernet Sauvignon, Cabernet Franc and Malbec that provide rich flavors of blackberry jam, cassis and cola layered with mint, white pepper and a full and lengthy finish that is filled with vanilla oak notes.

Sierra Foothills Estate Grown "Kramer Ranch" Reserve Cabernet Sauvignon

A single vineyard wine from our esteemed Kramer Ranch, this big, full and rich red is full flavored with cassis, black currants, black cherries, toasted oak, plum and a creamy vanilla that ends full and lengthy.

Lodi Old Vine Zinfandel

A blend of four vineyards aged between 60-80 years old, these head-trained vines give this big and elegant Zin flavors of ripe blackberries, soft pepper spice layered with chocolate. The finish is full and lengthy.

Lodi "Rous Vineyard" Reserve Ancient Vine Zinfandel

This single 10 acre "Rous" vineyard was planted in 1909. This elegant wine starts off with violet notes that swirl with ripe blackberries, brown spices, cloves, caramel and ending with vanilla notes.
